Reaching E-Quality Employment Services is a non-profit organization whose mission is to promote, facilitate and maintain the employment of people with disabilities or health conditions by providing diverse and customized employment, training and consultation services. **The REES Awards** will raise funds in support of the programs and services we offer to the community. In 2009, we are excited to be celebrating our 20th Anniversary.

In addition to the Anniversary Celebrations and Gala Dinner, we will be acknowledging our **REES Award Winners**. The **Debbie Bean Award** will be presented, along with awards for two nominated **STAR Employers** and a nominated **STAR Individual** who have made significant contributions to the success of employment of people with disabilities through Reaching E-Quality Employment Services (REES).

REES is a not for profit, charitable organization. In order to make the **REES Awards** a success, we are asking you, our community for sponsorship support.

We hope you will support the **REES Awards** by making a donation, nominating an individual or business for an award and by attending on February 19, 2009. Please feel free to contact us to discuss the **REES Awards** and the sponsorship opportunities.

REES Awards nomination information is available on our website, www.re-es.org and individual and group tickets will be available for purchase at a cost of \$125 each.
